ATTENTION

Hello everyone, I'm sorry but I've decided to stop uploading AkaAka on manga sites because it's already licensed in English and the Zero Alliance also suggested me not to scanlate it. However I'll keep translating it for some friends of mine, so if anyone else is interested, I'll post translations in this Facebook group

hey
wait for me!
wait for me, i said!
a winter festival during tsubaki's childhood...
akane!

don't run around all alone! it's dangerous
yaichi told us already that he couldn't come because of work! stop sulking
...why you started singing that song again?
don't think you can fool me with it

woah!?
stop sulking i said! don't be childish
hey akane!! what are you doing?! take it off!!
akane!!

don't stop so suddenly! ...
woah
bump
hey, akane?
what are you looking at...?

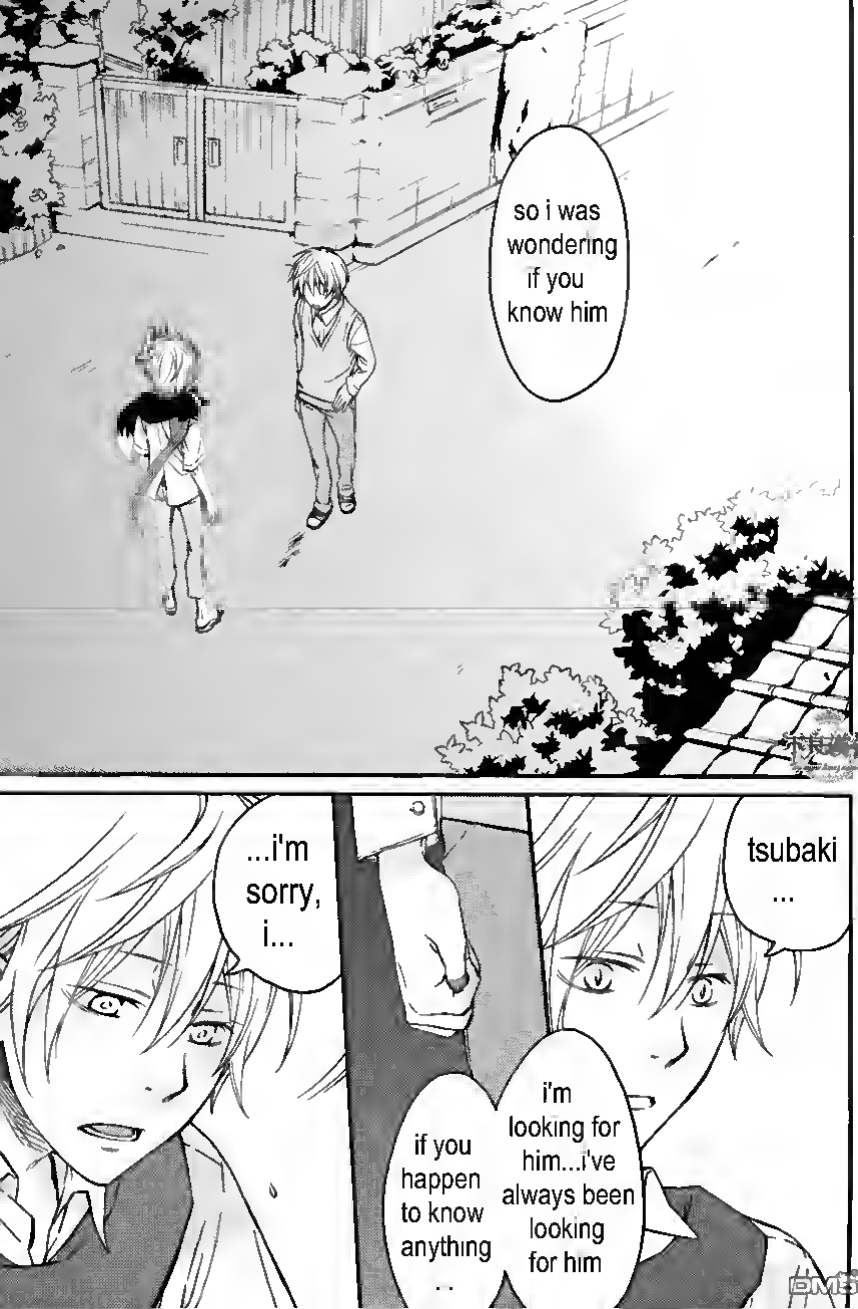
...what? that man with fox mask?
...akane let's go ...
akane ...?

it's nothing ...
it's already so late!
tsubaki, thank you for today
tougo, the food you make is so yummy! i'm a bit moved!!
young master, we're going home!!
regret
he called home to ask if he could stay for dinner but they had him driven home immediatelly...
vroom vroom
akiyoshi looked so pitiful...
you even ate akiyoshi's portion
hehe
satisfied
...i didn't think you could eat so much
jump
well then, see you tomorrow, tsubaki

what's wrong, tsubaki?
ah
ah...
?
.....
?
...you

i've always wanted to ask you this question
who you are and where you come from . these things don't matter anymore
but
you really look like him and also behave like him

do you know a person called yoshiki?



so i was wondering if you know him
tsubaki ...
...i'm sorry, i...
i'm looking for him...i've always been looking for him
if you happen to know anything ..

that's right...
...is that so? i'm sorry ...
afterall
seems so...
i'm mistaking, huh?
.....
you don't know him...?
is that person called yoshiki someone important for tsubaki...?

...he can't really be considered important
yoshiki is
is the man who eloped with my mother

...are you eating again?
yea, i couldn't help but eat some more
the curry tougo made is too good
is that so?
I'll clean up after this. tougo, you can go taking a bath

.....
...unless you have something to say?
alright what do you want to say?
... yaichi when you saw yue before
you said "yoshiki", right?

...did you know...
the whole story?
yaichi, where's akane? is she not back yet?
tougo
akane was "spirited away" in the mountain
spirited away...?
how could it be?!
it means that gods like akane, so they took her in the mountain

*"spirited away" is literally "hidden by the gods"

...yea
i knew everything
...it can't be helped
but now even i think that saying that she was "spirited away" would be better
...yea
i wouldn't be able to accept it...
...if not

...also, tougo, you've been looking for akane, right?
since that night when she disappe-ared at the festival
i still don't know how she could disappear in front of us
...but to akane and i, yoshiki used to be a very important person

at that time too, in front of akane
one day...
yoshiki suddenly disappe-ared
...oh?
she kept looking for him
akane looked for yoshiki everywhere
so if it was yoshiki the one who took her away
i don't have anything to complain

i would just believe that since akane was yoshiki's family from the beginning

it would be natural that he would come to take her back

it's really great that akane managed to find yoshiki at last...

are you sure it's fine...?
can you really forgive it?
are you saying that you can forgive the fact that akane abandoned us...!?
tougo ...
don't fogive them!!
what are they to you...!?
they're very important people...
but...

when akane came here
i'm sorry, tougo
mmh
i'm sorry ...
i... felt like i was stealing akane from yoshiki

that's why ...
...you bastard ...

are you alright?
who are you...?
you look suspicious with that mask, you know?

you must definitely be a weird guy if you don't think it's strange to wear a mask like that
what's so weird about my mask...?
oh... i'm just a passerby
but i still think you're weird...
i won't ask you why you wear it
oh ...?
i'm sorry for letting you get hurt...

tougo-kun...
it's nothing, i'm used to it already
...?
how did you know my name?
ah!
no... you see, this is because ...
could it be...
that you're the one who has been helping me?
since long time ago
there's always a person who would come to help me when i'm in danger

...i'm sorry
why are you apologizing?
anyway, next time you come to help me, don't hide anymore, just come out ok?
tougo-kun
...i will protect you

some months after that, yoshiki and akane disappeared

不良漫化

tsk
...

yue-kun and that tsubaki kid have become kinda close
hehe
yea, i think so too
it seems that their bloodline brought them together before they could realize it
...if it's that tsubaki kid, even you won't have anything to complain about, right?

ah
but the one who has to choose is yue-kun
it's unbelievable you say that they're free to choose...
but the kids of any generation would always bring back a tsubaki kid
...i wonder whose fault it is
he he he
tap
tap
the "meal" has to taste good afterall, right?
but if you don't eat, you won't last for long
so they're also free to choose whether to eat or being eaten
...so

what will you choose
... yoshiki?
changing tougo's fate, the plot twist is about to come!!
